

ABINAYA

Graphic designer

About Me

I am a computer science student passionate about Python, machine learning, AI, and UI/UX design. I aim to become a Python developer and machine learning expert while also improving my design and programming skills. I love learning and creating innovative projects.

Skills:

Html	90%
Css	87%
Javascript	95%
Python	84%
Graphic design	92%

Education:

- Velammal memorial matric hr sec school (year-2023)
- Anna adarsh college for women's
Bsc Computer science with AI
(Year-2023-2026)

Language:

- Tamil
- English
- Hindi

Project

• Guess the random number

I built the Guess the Number game using HTML for structure, CSS for styling, and JavaScript for logic. It generates a random number (1-10), tracks attempts, and gives hints until the correct guess. A restart button resets the game.
